300 MT slm

EXPOSURE

Ovest/Est

SOIL

Medium mixture, limestone

ALCOHOL CONTENT

12 % vol.

TRAINING SYSTEM

Guyot

HARVEST

Manual harvest

AGEING

Steel

DESCRIPTION

Straw-yellow color, golden reflections.

Plays on the tones of herbs and white peach fused in a gritty pleasure.

It should be consumed young, usually no later than in the second year of life.

Good acidity and persistence in the mouth.

Ideal both as an aperitif and as a meal.
